

APPRECIATION CERTIFICATE

This is to certify that M/s VFM has done an excellent job by providing scaffolding services during our biggest ever shutdown job in the year 2018 for Up-gradation of ESPs at Cement plant. The scaffolding services catered for installation of 65 m tall chimney, Dryer Crusher Baghouse, Raw Mill Baghouse and Cooler ESP additional field. The quantity of scaffolding was about one lakh (1,00,000) cubic meters. M/s VFM worked with utmost safety and dedication.

We wish him best of luck in future for the skill and attitude towards safety and timely completion of jobs, which was demonstrated in completing this task, to be sustained in their future assignments.
